RECEIVED
JAN 17 1949
MONTANA STATE UNIVERSITY
PRESIDENT'S OFFICE

The following letter from President McCain was read by Mueller:

The State Board of Education, at its meeting held December 13 and 14, 1948, officially approved the purchase by the University of the Golf Course for the sum of \$30,000 to be paid from revenue from the temporary housing now located on the Golf Course site. Later the same week this transaction was approved by the State Board of Examiners. Title to this property is now in the process of being transferred from the University Development Corporation to the State of Montana. The \$30,000 purchase price will be paid to the Associated Students of the Montana State University in annual increments over the remaining period of occupancy of the Golf Course Housing Project.

By copy of this memorandum, I wish to assure the Associated Students of Montana State University that, upon the termination of the Golf Course Housing Project, it is my intention to use this property for student activities in accordance with the official policy of your organization. Furthermore, I hope that future administrations of the University will be guided by this memorandum in any use made of the Golf Course site.

Mueller read a letter from the Idaho State College telling us of plans being made for a P.S.P.A. convention to be held at Sun Valley. The price for the convention was quoted as \$10 a day per person, making a total of \$30 plus a \$5.00 registration fee. They also asked for any suggestions we may have concerning speakers for the convention and a convenient convention date. There will be further discussion of this letter in a later meeting.

The meeting was then adjourned.
